### International Calling Access Agreement

TampaBay DSL Inc. dba PBX-Change ("PBX-Change") by default denies access to International Calling unless requested by the customer.

Customer agrees and acknowledges that Customer shall be liable for all charges associated with International Calling service dialed from the customer premises or through the use of Customer's PBX-Change account, regardless of whether such use (1) is authorized by Customer management; (2) is initiated by Customer employees or third parties; or (3) constitutes or involves fraudulent activity of any nature.

Customer agrees that PBX-Change assumes no liability of any kind with respect to its providing access to International Calling service via connections from Customer premises and locations where Customer uses PBX-Change services. Customer is responsible for ensuring all account credentials are secured.

Customer shall indemnify, defend and hold harmless PBX-Change against any and all claims made by the third party provider of International Calling service. Customer acknowledges that, pursuant to government regulation, failure to make proper payment to third party vendors of International Calling services could result in suspension or interruption of long distance and/or local services provided by PBX-Change. PBX-Change assumes no liability of any kind with respect to such potential service suspensions or interruptions.

My initials in the space(s) below indicate that I authorize PBX-Change to:

\_\_\_\_\_ Enable International calling for all lines and/or extensions on my account.  
Your account will have international calling capabilities open and you will be responsible for your account.

\_\_\_\_\_ Enable International calling on only the lines and/or extensions below. (please list or provide separate sheet if additional space is needed)
